

Understanding the height of units

Cabinet Heights:

Our unit heights are stated without legs, only the size of the carcass. You would need to add the 150mm legs to get the overall height of your unit.

Our standard heights are:

Low - 1825mm (with legs 1975mm)

Medium - 1970mm (with legs 2120mm)

Tall - 2150mm (with legs 2300mm)

Standard depth is 560mm

If you require anything different, please contact the sales team.
